REGISTRATION

Registration conditions

Everyone can be a member of the Library.

Registration is done personally, by signing the entry declaration, and in exceptional cases it is possible to enroll and borrow by proxy by submitting the completed authorization forms.

Non-lecturing staff of the University of Pécs should also sign a staff statement.

Necessary documents

- identity card / passport / residence permit / card format - driving license;
- in the case of students, the student card valid for the current semester (in the absence of this, a certificate of student status);
- NEPTUN code for UPstudents;
- a warranty statement for people under 18 years of age.

In order to benefit from the registration, you must have a valid proof of entitlement.

Please keep the expired library card and bring it with you when you enroll. In the absence of this, the price of the new library card is 1000 Ft.

The library also offers free daily cards for local use.

In case of discounts:

- Document that justifies the right for the discount is needed.
- Registration is taken place personally and signing an entry declaration is required. For University of Pécs employees, who are not university teachers, signing an Employee declaration is required.

Our registered readers can use – after extra registration but without further registration fee – not just the Centre for Learning but the services of the whole network of the Csorba Győző Library and the University of Pécs Library and Centre for Learning.

The library card is not transferable. It is valid for 6 or 12 months effective from the date of issue. (In case of students and University of Pécs citizens, the validity is the next 31 October.) The validity can be personally prolonged by the library user with the submission of their documents and payment of the membership fee. (If appropriate, it is possible to enrol or check out documents by proxy.) The library card must be kept after it expires and should be brought to the next registration.

The condition of membership extension is the settlement of all actual debts towards the libraries of the Csorba Győző Library and the University of Pécs Library and Centre for Learning.

The loss of the library card must be reported immediately, then to avoid abuse, the library deletes it from its system. The replacement of lost or damaged library card costs HUF 1.000

The daily card is free and entitles to single admission and local use of the documents. The annual visitor (internet) card costs HUF 1.000 and provides not just local but full use of the technical services (computers, internet, WI-FI, subscribed databases, reprographic equipment).

Remote usage

If you already have a valid library card, you can use our online services, so online registration is unnecessary. If you are not yet a reader of our library, but would like to become one, you can register online; so you can use the library's online services remotely.

If you are a citizen of the University of Pécs, you will be able to access the databases subscribed to by the University of Pécs from home after registering online.

After registration, you will be automatically notified of the usage. For other library services, please personally apply with your ID in one of our libraries.
